- a. ☐ None
- b. ☒ The following (describe all, including the length of any previous extensions): The Court previously extended the time to file proofs of service from 30 days to 60 days by Order dated 11/27/19. Santa Barbara Channelkeeper v. State Water Resources Control Board

7. The pleading has not yet been filed and served on the parties listed in item 6 for the following reasons *(describe the efforts that have been made to serve the pleading and why service has not been completed)*: Further attempts at personal service were made in April, May, and June 2021, and diligence efforts have been exhausted, requiring service by publication. Applicant anticipates completing service by early July 2021. Service of Summons by Publication as to 199 Cross-Defendants and Roe Cross-Defendants has been requested and is in process, but Applicant needs additional time to complete the publication process and file proofs of service. Applicant continues to receive proofs of service from its process server and needs additional time to process and file them.

☐ Continued on Attachment 7.

8. An extension of time to serve and file the pleading should be granted for the following reasons: Good cause exists to grant this application. Numerous proofs of service will be filed in the next two weeks, but Applicant has been unable to obtain all proofs of service despite its diligent efforts due to Cross-Defendants evading service, being located behind gates/fences or deceased with no known successors. Applicant has filed three applications with the Court for orders for publication of summons for the unserved Cross-Defendants pursuant to Code of Civil Procedure section 415.50. Publication in the Ventura County Star is in process. The Court will consider another request to serve by publication on June 30, and publication will commence shortly thereafter. Applicant will make a fourth request for service by publication as to approximately five heirs and devisees of deceased cross-defendants with no known successors.
