CASE NAME:	CASE NUMBER:
Santa Barbara Channelkeeper v. State Water Resources Control Board	19STCP01176

7. The pleading has not yet been filed and served on the parties listed in item 6 for the following reasons *(describe the efforts that have been made to serve the pleading and why service has not been completed):* The pleading has been filed and further attempts at personal service were again made in February, March, and early April 2021. During this time, Applicant has successfully served 207 Cross-Defendants. To date, a grand total of 2,484 Cross-Defendants have been served. Further attempts are continuing to be made to effect service on the remaining 112 Cross-Defendants.

☐ Continued on Attachment 7.

8. An extension of time to serve and file the pleading should be granted for the following reasons: Good cause exists to grant this application. Applicant has been unable to obtain proof of service of approximately 112 cross-defendants despite its diligent efforts. Some are avoiding service. Others cannot be accessed because they are behind gates. Applicant will continue to attempt to locate and serve these un-served Cross-Defendants, including by conducting targeted outreach and phone calls to and additional researching and tracking of un-served Cross-Defendants. Should Applicant continue to be unsuccessful, it will file an application with the Court for an order for publication of summons pursuant to Code of Civil Procedure section 415.50.

☐ Continued on Attachment 8.

9. If an extension of time is granted, filing and service on the parties listed in item 6 will be completed by *(date):* July 1, 2021
