Case No. 19STCP01176

Judge: Honorable William F. Highberger

SUPPLEMENTAL DECLARATION OF
MARNIE PROCK IN SUPPORT OF EX
PARTE APPLICATION BY CROSS-
COMPLAINANT CITY OF SAN
BUENAVENTURA IN SUPPORT OF ORDER
TO SHOW CAUSE FOR PUBLICATION OF
SUMMONS ON UNSERVED CROSS-
DEFENDANTS [CCP §§ 415.50]

Filed concurrently with:

1. [Proposed] Order continuing Order to Show
Cause Hearing on Publication of Summons.

Action Filed: Sept. 19, 2014

Trial Date: Feb. 14, 2022

1 I, Marnie A. Prock, declare and state as follows:

2 1. I am over the age of eighteen years and a senior paralegal employed by the law
3 firm of Best Best & Krieger LLP (“BBK”), attorneys of record for Respondent and Cross-
4 Complainant, City of San Buenaventura (“CITY”) in the above-entitled action (“Action”).

5 2. I have been a paralegal in California for more than 21 years and have held various
6 positions in two of California’s largest and most historic public law firms for more than 31 years.
7 I have been employed by BBK since September, 2010.

8 3. My day to day activities include all facets of litigation, including research related
9 to real property ownership, analyzing deeds and title reports, locating individuals and corporate
10 entities for service of process, researching probate records for heirs and devisees, analyzing
11 policy and procedures relating to court filings and processes, and seeking orders for publication
12 and posting of summons when necessary for quiet title, title defect, eminent domain and
13 prescriptive rights cases.

14 4. Each of the facts stated herein are within my personal knowledge, and I would so
15 testify if called as a witness at any hearing.

16 5. In an effort to locate potential parties with interests at issue in this Action, I
17 conducted extensive research into the real property record databases of the following reputable
18 and well known title companies: Fidelity National Title Insurance Company, First American Title
19 Insurance Company, and Chicago Title Insurance Company. In searching these databases, I
20 identified any additional interested persons or entities, of which the CITY had a duty to serve the
21 Summons and Third Amended Cross-Complaint.

22 6. On or about November 21, 2019, CITY engaged Process Server One (“PSO”) to
23 personally serve nearly 2,600 Cross-Defendants.

24 7. On or about January 2, 2020, CITY filed its Third Amended Cross Complaint
25 which named each Cross-Defendant who holds any property interests which are subject to the
26 Action and proceeded to personally serve each Cross-Defendant.

27 ///

28 ///

1 8. On or about July 15, 2020, I and BBK staff that I work with and oversee started
2 preparing pre-notice letters and we proceeded to mail each unserved Cross-Defendant. These
3 letters notified unserved Cross-Defendants of the upcoming notice and acknowledgment mailings
4 and that if the notice acknowledgment of receipt was not signed and returned within 20 days, the
5 City would need to serve via publication.

6 9. On or about August 24, 2020, I and BBK staff that I work with and oversee started
7 preparing notices of acknowledgment of receipt and personalized letters, and we proceeded to
8 mail serve each unserved Cross-Defendants. In addition, I researched any returned mailings to
9 try to ascertain current addresses and/or the status of each returned envelope.

10 10. On or about November 2, 2020, I and the BBK staff that I work with and oversee
11 received Tax Assessor records for each Cross-Defendant. I and BBK staff that I work with and
12 oversee used the Tax Assessor records to cross-check mailing addresses of the most recent tax
13 bills for each unserved Cross-Defendant.

14 11. On or about December 1, 2020, I and the BBK staff that I work with and oversee
15 prepared a follow up mailing of notices of acknowledgement of receipt to each unserved Cross-
16 Defendant, including those that are evading personal service attempts and those that live behind
17 gates and fences and deceased with no known successors. In addition, I again researched any
18 returned mailings to try to ascertain current addresses and/or status of each returned envelope.

19 12. During the week of January 25, 2021 and continuously thereafter during the
20 service process, I and BBK staff that I work with and oversee researched on TLO each unserved
21 Cross-Defendant's last known addresses, telephone numbers and email addresses in an attempt to
22 collect as much current information as possible to start personally serving any unserved Cross-
23 Defendant. TLO is a database powered by TransUnion which identifies, among other items, the
24 last several physical addresses and the date in which subjects are using those addresses, telephone
25 numbers and email addresses associated with the subject. TLO is a skip trace database for all
26 intents and purposes. From these searches, I can glean information necessary to serve process on
27 Cross-Defendants if within the United States. I also performed address searches which identifies
28 who has lived at that address and during which times and the deceased database searches to try to

1 ascertain whether the subject is evading or may be deceased. I regularly use TLO as a database in
2 trying to locate parties for service of process and in my experience it is a reliable database.

3 13. On or about January 28, 2021, I, on behalf of BBK, engaged a different process
4 server, First Legal, to personally serve approximately 319 still unserved Cross-Defendants. Even
5 though PSO had previously been unsuccessful in serving these unserved Cross-Defendants, I and
6 BBK staff that I work with an oversee tasked First Legal with attempting service on those Cross-
7 Defendants again in the hopes that First Legal may have some success where PSO had not been
8 able to effect service.

9 14. On or about February 2, 2021, I and BBK staff that I work with and oversee
10 prepared a third mailing with a letter requesting return of the notices of acknowledgement of
11 receipt and notifying all remaining unserved Cross-Defendants that if such notices were not
12 returned signed, the CITY would start a second round of personal service efforts.

13 15. Over the course of the last several months, First Legal attempted to serve all
14 unserved Cross-Defendants. Today, out of more than 3,000 Cross-Defendants, only 44 Cross-
15 Defendant's remain unserved that are a part of this application, with 20 unserved due to evading
16 service attempts, 20 due to fenced and gated private residences, and 4 deceased individuals with
17 no known successors. A true and correct list of these 44 Cross-Defendants is attached hereto as
18 Exhibit "A," and is incorporated by reference herein. On this list, I have identified each unserved
19 cross-defendant, the status of each unserved cross-defendant, i.e. whether he/she/it is an evader,
20 or behind a gate or deceased, as well as the service addresses that we determined through our
21 research. True and correct copies of the diligence reports from both PSO and First Legal for 20
22 evading Cross-Defendants along with the proof of delivery of each overnight package are
23 attached hereto and incorporate herewith as Exhibit "B." True and correct copies of the diligence
24 reports from both PSO and First Legal along with the proof of delivery of each overnight package
25 for 20 gated/fenced Cross-Defendants are attached hereto and incorporate herewith as Exhibit
26 "C." True and correct copies of the diligence reports from both PSO and First Legal along with
27 the proof of delivery of each overnight package for 4 deceased with no known successor Cross-
28 Defendants are attached hereto and incorporate herewith as Exhibit "D."

1 16. I note here that there a four Cross-Defendants we are still attempting to serve
2 who have been removed from this application as it was originally filed. In light of the Court's
3 comments at the June 30th hearing, I have determined based on the diligence reports compiled to
4 date that further service efforts are needed for this small number of Cross-Defendants. Those
5 Cross-Defendants are no longer a part of this application, and if, after additional service efforts
6 we still cannot locate and serve the remaining Cross-Defendants, the City will seek one final
7 order for service by publication.

8 17. A comprehensive description of efforts made for each unserved evading Cross-
9 Defendant by corresponding number to Exhibit A, is below:

- 10 1. Jan M. Hiester, Trustee of the Jan M. Hiester 2014 Living Trust – I received the
11 APN for this parcel that is adjacent to the river system from the City, and I
12 performed a search of the mailing address for the APN number from the Tax
13 Assessor records and from TLO, which show Ms. Hiester at the service addresses
14 as stated in Exhibit A. I directed First Legal to attempt service of process on Ms.
15 Hiester at two addresses as set forth in Exhibit A. I performed a TLO search which
16 shows Ms. Hiester at the service address as stated in Exhibit A, 74 W. Valley
17 Ridge Street in Ojai. However, TLO also showed a recent prior address at 309
18 Oriole in Ojai. I instructed First Legal to attempt service at both addresses and
19 servers have been unsuccessful at serving Ms. Hiester at either address. At my
20 direction and under my supervision, my office sent, via overnight delivery, the
21 notice and acknowledgment and full service packet to Ms. Hiester at both
22 addresses. A true and correct copy of the affidavits of diligence and the delivery
23 notifications are collectively attached hereto and incorporated herein as
24 Exhibit B-1.
- 25 2. Johanna Collins - I received the APN for this parcel that is adjacent to the river
26 system from the City, and I performed a search of the mailing address for the APN
27 number from the Tax Assessor records and from TLO, which show Ms. Collins at
28 the service addresses as stated in Exhibit A. I directed First Legal to attempt

1 service of process on Ms. Collins at the service address as set forth in Exhibit A. I
2 performed a TLO search which shows Ms. Collins at the service address as stated
3 in Exhibit A– servers have been unsuccessful in serving Ms. Collins. At my
4 direction and under my supervision, my office sent, via overnight delivery, the
5 notice and acknowledgment and full service packet to Ms. Collins at the address of
6 record. A true and correct copy of the affidavits of diligence and the delivery
7 notification of such package are attached hereto and incorporated herein as
8 Exhibit B-2.

9 3. Caryn Molinelli – I received the APN for this parcel that is adjacent to the river
10 system from the City, and I performed a search of the mailing address for the APN
11 number from the Tax Assessor records and from TLO, which show Ms. Molinelli
12 at the service address as stated in Exhibit A. I directed First Legal to attempt
13 service of process on Ms. Molinelli at the service address as set forth in Exhibit A.
14 I performed a TLO search which shows Ms. Molinelli at the service address as
15 stated in Exhibit A– servers have been unsuccessful in serving Ms. Molinelli since
16 January 2020. According to the latest attempts by First Legal, the service address
17 is vacant. Tax Collector records indicate the property has been in tax default at the
18 County for the past two years. However, according to my TLO research, the
19 property is still in Ms. Molinelli’s name, and that is her listed address. There are
20 also no other recently listed properties for her. Also the Tax Collector records also
21 show Ms. Molinelli as the property owner. I also looked at tax assessor records
22 and Fidelity’s website, and both listed Ms. Molinelli as owning that property. At
23 my direction and under my supervision, my office sent, via overnight delivery, the
24 notice and acknowledgment and full service packet to Ms. Molinelli at the address
25 of record and a true and correct copy of the delivery notification of such package
26 along with the affidavits of diligence are attached hereto and incorporated herein
27 as Exhibit B-3.

28 4. Myrna R. Mesrobian, Trustee of the Mesrobian Family Trust – I received the APN

1 for this parcel that is adjacent to the river system from the City, and I performed a
2 search of the mailing address for the APN number from the Tax Assessor records
3 and from TLO, which show Ms. Mesrobian at the service address as stated in
4 Exhibit A. I reviewed tax assessor records, which that the Mesrobians own
5 property in the Watershed in Ojai, but the records confirm that the tax bill for this
6 property goes to the address in La Canada, CA, which is the service address stated
7 in Exhibit A. I performed a TLO search that shows Ms. Mesrobian resides at that
8 same service address as stated in Exhibit A. I have instructed process servers to
9 attempt service on multiple occasions, but servers have been unsuccessful in
10 serving Ms. Mesrobian since January 2020. At my direction and under my
11 supervision, my office sent, via overnight delivery, the notice and
12 acknowledgment and full service packet to Ms. Mesrobian at the address of record
13 and a true and correct copy of the delivery notification of such package along with
14 the affidavits of diligence are attached hereto and incorporated herein as Exhibit
15 B-4.

- 16 5. Raffi J. Mesrobian, Trustee of the Mesrobian Family Trust - I received the APN
17 for this parcel that is adjacent to the river system from the City, and I performed a
18 search of the mailing address for the APN number from the Tax Assessor records
19 and from TLO, which show Mr. Mesrobian at the service addresses as stated in
20 Exhibit A. I reviewed tax assessor records, which that the Mesrobians own
21 property in the Watershed in Ojai, but the records confirm that the tax bill for this
22 property goes to the address in La Canada, CA, which is the service address stated
23 in Exhibit A. I performed a TLO search that shows Mr. Mesrobian resides at that
24 same service address as stated in Exhibit A. I have instructed process servers to
25 attempt service on multiple occasions, but servers have been unsuccessful in
26 serving Mr. Mesrobian since January 2020. At my direction and under my
27 supervision, my office sent, via overnight delivery, the notice and
28 acknowledgment and full service packet to Mr. Mesrobian at the address of record

and a true and correct copy of the delivery notification of such package along with the affidavits of diligence are attached hereto and incorporated herein as Exhibit B-5.

6. Linh T. Andren, Roe 7 – I received the APN for this parcel that is adjacent to the river system from the City, and I performed a search of the mailing address for the APN number from the Tax Assessor records and from TLO, which show Cross-Defendant Andren at the service addresses as stated in Exhibit A. I reviewed assessor records and grant deeds for riparian owners, which showed that Cross-Defendant Andren is a co-owner of property at 11995 Awahi Ranch in Ojai. The records I reviewed indicate that this property is vacant land, i.e. it has an APN number but no address, and it is co-owned by Hien Dao Andren, Robert Kingsley Andren and Son T. Andren. These individuals have been named as Roe Cross-Defendants and served. There is one other listed co-owner, Ngoc Petrarca, who is Roe 192, and who is still unserved, which is discussed below. I again performed a search of the mailing address from the Tax Assessor records and TLO which showed Linh Andren at a service addresses as that stated in Exhibit A. The servers were unsuccessful in Simi Valley after multiple attempts. I performed a TLO search and discovered a new address for Cross-Defendant Andren in San Jose and two different servers have been sent out to that address several times to no avail. At my direction and under my supervision, my office sent, via overnight delivery, the notice and acknowledgment and full service packet to Cross-Defendant Andren at the San Jose address. A true and correct copy of the delivery notifications of such packages along with the affidavits of diligence are attached hereto and incorporated herein as Exhibit B-6. In finalizing this declaration, I realized that I inadvertently did not overnight the service package to Cross-Defendant Andren at the Simi Valley address, and accordingly, prior to executing this declaration, I instructed staff that I supervise and oversee to send an overnight package on this date to Cross-Defendant Andren. I will prepare a further supplemental declaration

1 and attach proof of delivery of this service package in advance of the OSC hearing.

2 I also note here that Cross-Defendant Andren has the same service address in Simi
3 Valley as Cross-Defendant Ngoc. T. Petrarca, Roe 192, and as evidenced in
4 Exhibit B-12, a service package was sent to this Cross-Defendant at that address.

5 7. Christine J. Bailey, Trustee of The William F. Bailey Living Trust, Roe 12 - I
6 received the APN for this parcel that is adjacent to the river system from the City,
7 and I performed a search of the mailing address for the APN number from the Tax
8 Assessor records and from TLO. These records showed Ms. Bailey at the service
9 addresses as stated in Exhibit A, one in Washington State, and one in Ojai.
10 Servers have been out several times to personally serve Ms. Bailey at both
11 addresses, to no avail. At my direction and under my supervision, my office sent,
12 via overnight delivery, the notice and acknowledgment and full service packet to
13 Ms. Bailey at the addresses of record and a true and correct copy of the delivery
14 notifications of such packages along with the affidavits of diligence are attached
15 hereto and incorporated herein as Exhibit B-7.

16 8. Alicia S. Beaty, Roe 17 - I received the APN number for this parcel that is
17 adjacent to the river system from the City, and I performed a search of the mailing
18 address for the APN from the Tax Assessor records, which showed Ms. Beaty at
19 the service address as stated in Exhibit A. Servers have been out five times to
20 personally serve Ms. Beaty to no avail. The server contacted me after the first
21 attempt and told me that the address did not exist and he thought it might be vacant
22 land. I then sent him an aerial photo of the property showing that there was a
23 structure, and I requested that the server try again, which he apparently did four
24 more times. At my direction and under my supervision, my office sent, via
25 overnight delivery, the notice and acknowledgment and full service packet to Ms.
26 Beaty at the address of record and a true and correct copy of the delivery
27 notification of such package along with the affidavits of diligence are attached
28 hereto and incorporated herein as Exhibit B-8.

1 9. David Laag, Successor Trustee of The Arthur E. Laag Family 1978 Trust, Roe 131
2 - I received the APN number for this parcel that is adjacent to the river system
3 from the City, and I performed a search of the mailing address for the APN from
4 the Tax Assessor records, and a TLO search, which showed Mr. Laag at the
5 service addresses as stated in Exhibit A. There is no property address for this APN
6 number. Servers have been out to the properties multiple times to no avail. At my
7 direction and under my supervision, my office sent, via overnight delivery, the
8 notice and acknowledgment and full service packet to Mr. Laag at the address of
9 record and a true and correct copy of the delivery notification of such package
10 along with the affidavits of diligence are attached hereto and incorporated herein
11 as Exhibit B-9.

12 10. Eugene Larson, Trustee of The Larson Living Trust, Roe 134 - I received the APN
13 number for this parcel that is adjacent to the river system from the City, and I
14 performed a search of the mailing address for the property from the Tax Assessor
15 records that showed Mr. Larson at the service address as stated in Exhibit A.
16 Servers have been out to the property seven times to no avail. At my direction and
17 under my supervision, my office sent, via overnight delivery, the notice and
18 acknowledgment and full service packet to Mr. Larson at the address of record and
19 a true and correct copy of the delivery notification of such package along with the
20 affidavits of diligence are attached hereto and incorporated herein as Exhibit B-10.

21 11. Juan J. Morales, Roe 171 - I received the APN number for this parcel that is
22 adjacent to the river system from the City, and I performed a search of the mailing
23 address for the property from the Tax Assessor records, which show Mr. Morales
24 at the service addresses as stated in Exhibit A. Servers have been out to the
25 property five times to no avail. At my direction and under my supervision, my
26 office sent, via overnight delivery, the notice and acknowledgment and full service
27 packet to Mr. Morales at the address of record and a true and correct copy of the
28 delivery notification of such package along with the affidavits of diligence are

1 attached hereto and incorporated herein as Exhibit B-11.

2 12. Ngoc T. Petrarca, Roe 192 - I reviewed assessor records and grant deeds for this
3 riparian owner, which showed that Cross-Defendant Petrarca is a co-owner of
4 property at 11995 Awahi Ranch in Ojai. The records I reviewed indicate that this
5 property is vacant land, i.e. it has an APN number but no address, and it is co-
6 owned by Hien Dao Andren, Robert Kingsley Andren and Son T. Andren. These
7 individuals have all been named as Roe cross-defendants and served. There is one
8 other listed co-owner, Linh T. Andren, who is Roe 7, and who is still unserved,
9 which is discussed above. I performed a search of the mailing address from the
10 Tax Assessor records and TLO which showed Cross-Defendant Petrarca at a
11 service addresses as that stated in Exhibit A. The servers were unsuccessful in
12 Simi Valley after multiple attempts. I note here that for co-owner Linh Andren,
13 who is discussed above, my TLO search indicated a second service address in San
14 Jose. I did a TLO search for Ngoc Petrarca, and only the Simi Valley address
15 came up, which is why I did not serve on this individual at the San Jose address.
16 At my direction and under my supervision, my office sent, via overnight delivery,
17 the notice and acknowledgment and full service packet to Cross-Defendant
18 Petrarca at the address of record and a true and correct copy of the delivery
19 notification of such package along with the affidavits of diligence are attached
20 hereto and incorporated herein as Exhibit B-12.

21 13. Paul J. Reep, Trustee of The Reep Family Trust, Roe 202 - I received the APN
22 number for this parcel that is adjacent to the river system from the City, and I
23 performed a search of the mailing address for the property from the Tax Assessor
24 records and from a TLO search, which show Mr. Reep at the service addresses as
25 stated in Exhibit A. Servers have been out to the mailing address in Buhl, Idaho
26 from the Tax Assessor records five times to no avail. An attempt was also made at
27 the site address where servers were told the Reeps had moved out of state when
28 their home burned. My TLO search and Tax Assessor shows that the Reeps are at

1 the Idaho address, and this address is where the taxes for this parcel are sent.
2 There are no more current addresses for the Reeps. At my direction and under my
3 supervision, my office sent, via overnight delivery, the notice and
4 acknowledgment and full service packet to Mr. Reep at the address of record and a
5 true and correct copy of the delivery notification of such package along with the
6 affidavits of diligence are attached hereto and incorporated herein as Exhibit B-13.

7 14. Sheila Reep, Trustee of The Reep Family Trust, Roe 203 – I received the APN
8 number for this parcel that is adjacent to the river system from the City, and I
9 performed a search of the mailing address for the property from the Tax Assessor
10 records and from a TLO search, which show Mrs. Reep at the service addresses as
11 stated in Exhibit A. Servers have been out to the mailing address in Buhl, Idaho
12 from the Tax Assessor records five times to no avail. An attempt was also made at
13 the site address where servers were told the Reeps had moved out of state when
14 their home burned. My TLO search and Tax Assessor shows that the Reeps are at
15 the Idaho address, and this address is where the taxes for this parcel are sent.
16 There are no more current addresses for the Reeps. At my direction and under my
17 supervision, my office sent, via overnight delivery, the notice and
18 acknowledgment and full service packet to Mrs. Reep at the address of record and
19 a true and correct copy of the delivery notification of such package along with the
20 affidavits of diligence are attached hereto and incorporated herein as Exhibit B-14.

21 15. Janice Seltenreich, Trustee of The Seltenreich Family Trust, Roe 215 - I received
22 the APN number for this parcel that is adjacent to the river system from the City,
23 and I performed a search of the mailing address for this property from the Tax
24 Assessor records that show Ms. Seltenreich at the service address as stated in
25 Exhibit A. Servers have been out to the property seven times to no avail. At my
26 direction and under my supervision, my office sent, via overnight delivery of the
27 notice and acknowledgment and full service packet was made to Ms. Seltenreich at
28 the address of record and a true and correct copy of the delivery notification of

1 such package along with the affidavits of diligence are attached hereto and
2 incorporated herein as Exhibit B-15.

3 16. Karon O. Vereen, Roe 239 - I received the APN number for this parcel that is
4 adjacent to the river system from the City, and I performed a search of the mailing
5 address for this property from the Tax Assessor records and a TLO search that
6 both show Ms. Vereen at the service addresses as stated in Exhibit A. Servers
7 have been out to the address multiple times and were told by a person claiming to
8 be a renter and a neighbor that Ms. Vereen rents the subject property as an
9 AirBNB. At the mailing address, servers were told that Ms. Vereen does not live
10 there any longer. My TLO research shows Ms. Vereen at the service address in
11 Ojai from 2016 to the present, and there are no additional addresses listed for Ms.
12 Vereen that are current. At my direction and under my supervision, my office
13 sent, via overnight delivery, the notice and acknowledgment and full service
14 packet to Ms. Vereen at the addresses of record and a true and correct copy of the
15 delivery notification of such package along with the affidavits of diligence are
16 attached hereto and incorporated herein as Exhibit B-16.

17 17. Benjamin Efram, Trustee of The Benjamin Efram Living Trust, Roe 392 - I
18 received the APN number for this parcel that is adjacent to the river system from
19 the City, and I performed a search of the mailing address for this property from the
20 Tax Assessor records and a TLO search, which show Mr. Efram at the mailing
21 address in care of Fortune Companies Management Corporation as stated in
22 Exhibit A. The site property is undeveloped and does not have a mailing address.
23 I looked at an aerial of the property and confirmed it is undeveloped. Servers have
24 been out to the mailing addresses multiple times and were told by a staff person
25 that Mr. Efram either was not in or no one was authorized to accept service. In
26 addition, I directed First Legal to attempt service at the Santa Monica address and
27 the servers were unable to locate Mr. Efram at that address. At my direction and
28 under my supervision, my office sent, via overnight delivery, the notice and

1 acknowledgment and full service packet to Mr. Efram at the addresses of record
2 and a true and correct copy of the delivery notification of such package along with
3 the affidavits of diligence are attached hereto and incorporated herein as Exhibit
4 B-17. I note here for the Court that service packet was sent to the service address
5 in "Westlake Village" and not "Thousand Oaks," which is the identified city of the
6 service address in the affidavits of diligence. My searches of this property showed
7 the property at being in both cities, but at the street same address and zip code. I
8 have searched this property on aerial maps, and it is adjacent to the 101 Freeway,
9 and appears to be at or near the boundary line of both cities. According to the UPS
10 receipt, the service packet that was sent to Mr. Efram was delivered.

11 18. Lorne M. Buchman, Trustee of the Lorne Buchman Revocable Trust, 2004, Roe
12 265 - I received the APN number for this parcel that is adjacent to the river system
13 from the City, and I performed a search of the mailing address for this property
14 from the Tax Assessor records and a TLO search, which show Ms. Buchman at the
15 service address as stated in Exhibit A. The property at the site has an address of
16 2330 Ladera, Ojai, CA 93023, but according to my research of the Tax Assessor
17 records and TLO, the site address is not the residence of the property owner, as the
18 taxes are sent to the service address in Pasadena. My TLO research shows that a
19 person named Mobarak is residing at the site address in Ojai, which suggests that
20 the site address is rented. Servers have been out to the service address property in
21 Pasadena several times. At my direction and under my supervision, my office
22 sent, via overnight delivery, the notice and acknowledgment and full service
23 packet to Ms. Buchman at the address of record and a true and correct copy of the
24 delivery notification of such package along with the affidavits of diligence are
25 attached hereto and incorporated herein as Exhibit B-18.

26 19. Meghann L. Haven, Roe 300 - I received the APN number for this parcel that is
27 adjacent to the river system from the City, and I performed a search of the mailing
28 address for this property from the Tax Assessor records and a TLO search, which

1 show Ms. Haven at the service address as stated in Exhibit A. Servers have been
2 out to the property three times. At my direction and under my supervision, my
3 office sent, via overnight delivery, the notice and acknowledgment and full
4 service packet to Ms. Haven at the addresses of record and a true and correct copy
5 of the delivery notification of such package along with the affidavits of diligence
6 are attached hereto and incorporated herein as Exhibit B-19.

7 20. Louis Price - I received the APN number for this parcel that is adjacent to the river
8 system from the City, and I performed a search of the mailing address for this
9 property from the Tax Assessor records and a TLO search, which show Mr. Price
10 at the service addresses as stated in Exhibit A. One of the addresses is a P.O. Box,
11 which cannot serve as an address for personal service. The Tax Assessor records
12 indicate that the taxes are sent to the P.O. Box address. The other address on
13 Riverside Road is the site address. Servers have been out to the site address more
14 than three times to no avail and have indicated that the property has been
15 abandoned or is vacant. In late May 2021, I researched the property for the site
16 address in the Fidelity database and Tax Assessor, and it indicates that Bank of
17 America now holds the deed of trust and that Bank of America is now paying the
18 property taxes. On or about June 1, 2021, I sent First Legal to serve Bank of
19 America, and Bank of America was served on June 2, 2021. Since that time, I
20 have tried to contact Bank of America for clarification, but I have been unable to
21 reach anyone with knowledge of this property. I performed further research on
22 June 21, 2021 to determine whether any new information could be found for Mr.
23 Price. Through research I learned that a Mr. Price was deceased, but I determined
24 that the Mr. Price that was deceased was the son of the Cross-Defendant. I
25 performed another TLO search in Late June 2021 and found an address for Mr.
26 Price Sr. in Miami, Florida, and I immediately sent First Legal to personally serve
27 Mr. Price in Miami, Florida and followed with a notice and acknowledgment and
28 full service packet to the same address. The server attempted serving the next day

1 and was told by a young lady that Mr. Price did not live at that address. I then
2 requested a Skip Trace on Mr. Price and it was determined that Mr. Price was
3 ticketed for a moving violation in Ventura, California in 2020 but otherwise no
4 additional information was found. I ran another TLO search on June 28, 2021 on
5 the ex-wife listed in Louis Price Jr's obituary, Ms. Nita Brantley and telephoned
6 Ms. Brantley who reported that the Cross-Defendant was alive and that she had not
7 been to Mr. Price's home but had heard that he was still in residence in Oak View,
8 California. This address has been attempted several times by two different service
9 of process companies. At my direction and under my supervision, my office sent,
10 via overnight delivery, the notice and acknowledgment and full service packet on
11 Mr. Price at the address of record and a true and correct copy of the delivery of
12 such package along with the affidavits of diligence are attached hereto and
13 incorporated herein as Exhibit D-20. Out of an abundance of caution, I intend to
14 Roe in Bank of America as a named Cross-Defendant, and successor to Mr. Price
15 as the owner of the property. I will have Bank of America served forthwith.

16 17. A comprehensive description of efforts made for each unserved gated/fenced
17 Cross-Defendant by corresponding number to Exhibit A, is below:

18 21. Andrea Pendleton – I received the APN number for this parcel that is adjacent to
19 the river system from the City, and I performed a search of the mailing address for
20 this property from the Tax Assessor records as well as a TLO search, that show
21 Ms. Pendleton at the service address as stated in Exhibit A. Ms. Pendleton is
22 located behind a gate/fence. Servers have been out to the property three times and
23 cannot get access. At my direction and under my supervision, my office sent, via
24 overnight delivery, of the notice and acknowledgment and full service packet to
25 Ms. Pendleton at the address of record and a true and correct copy of the delivery
26 notification of such package along with the affidavits of diligence are attached
27 hereto and incorporated herein as Exhibit C-21.

28 22. James Pendleton - I received the APN number for this parcel that is adjacent to the

4 the property three times and cannot get access. At my direction and under my
5 supervision, my office sent, via overnight delivery, the notice and

9 C-22.

12 performed a search of the mailing address for this property from the Tax Assessor
13 records, which indicate an Anna Jacobs has been paying the taxes on the property,
14 and that property tax bill goes to the P.O. Box address in Oak View. I verified
15 with the Tax Collector that Ms. Jacobs is paying the taxes on this property.
16 Servers have been out to the property three times to no avail. At my direction and
17 under my supervision, my office sent, via overnight delivery, the notice and
18 acknowledgment and full service packet to Ms. Jacobs at the addresses of record
19 and a true and correct copy of the delivery notification of such package along with
20 the affidavits of diligence are attached hereto and incorporated herein as Exhibit
21 C-23.

22 24. Larry Hubenthal, individually and as Trustee of the Larry Hubenthal Living Trust -
23 I received the APN number for this parcel that is adjacent to the river system from
24 the City, and I performed a search of the mailing address for this property from
25 Tax Assessor records and TLO searches, which show Mr. Hubenthal at the
26 services addresses as stated in Exhibit A. I directed servers to attempt service at
27 both addresses for Mr. Hubenthal. The mailing addresses from the Tax Assessor
28 records is the address in Culver City, and service at this address has been

1 attempted more than 20 times. Service at the property address in Oak View has
2 been attempted multiple times. The property address is gated and fenced. At my
3 direction and under my supervision, my office sent, via overnight delivery, the
4 notice and acknowledgment and full service packet to Mr. Hubenthal at the

6 packages along with the affidavits of diligence are attached hereto and
7 incorporated herein as Exhibit C-24.

12 the property three times to no avail. During one attempt, Mr. Patterson answered
13 the intercom and refused service. The property address is gated and fenced. At
14 my direction and under my supervision, my office sent, via overnight delivery, the
15 notice and acknowledgment and full service packet to Mr. Patterson at the address
16 of record and a true and correct copy of the delivery notification of such package
17 along with the affidavits of diligence are attached hereto and incorporated herein
18 as Exhibit C-25.

19 26. Simone Patterson - I received the APN number for this parcel that is adjacent to
20 the river system from the City, and I performed a search for the mailing address
21 for the property from Tax Assessor records and several TLO searches, which show

23 to the property three times to no avail. During one attempt, Mr. Patterson
24 answered the intercom and refused service. The property address is gated and
25 fenced. At my direction and under my supervision, my office sent, via overnight
26 delivery, the notice and acknowledgment and full service packet to Mrs. Patterson
27 at the address of record and a true and correct copy of the delivery notification of
28 such package along with the affidavits of diligence are attached hereto and

1 incorporated herein as Exhibit C-26.

2 27. Linda Turner - I received the APN number for this parcel that is adjacent to the
3 river system from the City, and I performed a search for the mailing address for
4 the property from Tax Assessor records and TLO searches, which show Mrs.
5 Turner at the service address as stated in Exhibit A. Servers have been out to the
6 property three times to no avail. The property address is gated and fenced. At my
7 direction and under my supervision, my office sent, via overnight delivery, the
8 notice and acknowledgment and full service packet to Mrs. Turner at the address
9 of record and a true and correct copy of the delivery notification of such package
10 along with the affidavits of diligence are attached hereto and incorporated herein
11 as Exhibit C-27.

12 28. Ronald L.R. Hill, Trustee of the R&D Hill Family Trust - I received the APN
13 number for this parcel that is adjacent to the river system from the City, and I
14 performed a search for the mailing address for the property from Tax Assessor
15 records and TLO searches, which show Mr. Hill at the service address as stated in
16 Exhibit A. Servers have been out to the property three times to no avail. The
17 property address is gated and fenced. At my direction and under my supervision,
18 my office sent, via overnight delivery, the notice and acknowledgment and full
19 service packet to Mr. Hill at the address of record and a true and correct copy of
20 the delivery notification of such package along with the affidavits of diligence are
21 attached hereto and incorporated herein as Exhibit C-28.

22 29. Debi R. Hill, Trustees of the R&D Hill Family Trust - I received the APN number
23 for this parcel that is adjacent to the river system from the City, and I performed a
24 search for the mailing address for the property from Tax Assessor records and

26 Servers have been out to the property three times to no avail. The property address

1 Mrs. Hill at the address of record and a true and correct copy of the delivery
2 notification of such package along with the affidavits of diligence are attached
3 hereto and incorporated herein as Exhibit C-29.

4 30. Lee Rosenbaum, Trustee of the Chief Cornerstone Trust – This is a gated property,
5 but there is also additional diligence involved because property taxes are not sent
6 to the site address. I received the APN number for this parcel that is adjacent to
7 the river system from the City, and I researched the mailing address for the
8 property by reviewing real property records and Tax Assessor records, which show
9 a site address in Ojai, and a mailing address for the property taxes for this property
10 is in care of Fulton Management Company c/o Elizabeth Nicin as stated in Exhibit
11 A. Several attempts have been made to serve Ms. Nicin on behalf of the Chief
12 Cornerstone Trust to no avail. I researched Ms. Nicin’s phone number on the
13 internet and spoke with a receptionist of the Fulton Management Company twice
14 in June 2021, where I provided full details as to why she was being served on the
15 trusts behalf. I have not received a call back from Ms. Nicin. Ms. Nicin’s office
16 has turned servers away stating she is not authorized to accept service and is not
17 the agent for service despite the fact that the trust is not a corporate entity. Servers
18 have been unsuccessful in serving either Mr. Rosenbaum or Ms. Nicin since
19 January 2020. I performed several TLO searches for Mr. Rosenbaum which
20 indicated there were no records for Lee Rosenbaum in the State of the California,
21 and the service address of 1191 Rancho Road shows no one by the name
22 Rosenbaum living at the residence. I sent First Legal to the site address again on
23 July 2, 2021 and the Rancho Road address is gated/fenced. At my direction and
24 under my supervision, my office sent, via overnight delivery, the notice and
25 acknowledgment and full service packet to Ms. Nicin on several occasions on
26 behalf of Mr. Rosenbaum at the address of record and a true and correct copy of
27 the delivery notification of such package along with the affidavits of diligence are
28 attached hereto and incorporated herein as Exhibit B-30.

2 to the river system from the City, and I performed a search of the mailing address
3 for the property from Tax Assessor records and TLO searches, which show Mr.
4 Brindis at the service address as stated in Exhibit A. Servers have been out to the
5 property three times to no avail. The property address is gated and fenced. At my
6 direction and under my supervision, my office sent, via overnight delivery, the
7 notice and acknowledgment and full service packet to Mr. Brindis at the address of
8 record and a true and correct copy of the delivery notification of such package
9 along with the affidavits of diligence are attached hereto and incorporated herein

12 Roe 36 - I received the APN number for this parcel that is adjacent to the river
13 system from the City, and I performed a search of the mailing address for the
14 property from Tax Assessor records and TLO searches, which show Ms.
15 Delperdang-Brown at the service address as stated in Exhibit A. Servers have
16 been out to the property three times to no avail. The first time the servers went out
17 they contacted me and told me that there is no address and no structure at the site.
18 I reviewed aerial photos and confirmed there is a structure, and I told the servers to
19 try again. On the second and third attempts the servers found the address, but the
20 property address is gated and fenced. At my direction and under my supervision,
21 my office sent, via overnight delivery, the notice and acknowledgment and full
22 service packet to Ms. Delperdang-Brown at the address of record and a true and
23 correct copy of the delivery notification of such package along with the affidavits
24 of diligence are attached hereto and incorporated herein as Exhibit C-32.

25 33. Ralph Hansen, Roe 107 - I received the APN number for this parcel that is
26 adjacent to the river system from the City, and I performed a search of the mailing
27 address for the property from Tax Assessor records and several TLO searches that
28 show Mr. Hansen at the service address as stated in Exhibit A. Servers have been

1 out to the property more than three times to no avail. The property address is
2 gated and fenced. At my direction and under my supervision, my office sent, via
3 overnight delivery, the notice and acknowledgment and full service packet to Mr.
4 Hansen at the address of record and a true and correct copy of the delivery
5 notification of such package along with the affidavits of diligence are attached
6 hereto and incorporated herein as Exhibit C-33.

7 34. Sandra Hansen, Roe 108 - I received the APN number for this parcel that is
8 adjacent to the river system from the City, and I performed a search of the mailing
9 address for the property from Tax Assessor records and a TLO search that show
10 Mrs. Hansen at the service address as stated in Exhibit A. Servers have been out
11 to the property more than three times to no avail. The property address is gated
12 and fenced. At my direction and under my supervision, my office sent, via
13 overnight delivery, the notice and acknowledgment and full service packet to Mrs.
14 Hansen at the address of record and a true and correct copy of the delivery
15 notification of such package along with the affidavits of diligence are attached
16 hereto and incorporated herein as Exhibit C-34.

17 35. Bradley W. Smith, Roe 228 - I received the APN number for this parcel that is
18 adjacent to the river system from the City, and I performed a search of the mailing
19 address for the property from Tax Assessor records and a TLO search that show
20 Mr. Smith at the service addresses as stated in Exhibit A. The 10220 Reeves Road
21 address is the site address, but according to the Tax Assessor, Mr. Smith receives
22 the property tax bill at the P.O. Box in Ojai. Servers have been out to the site
23 address more than three times to no avail. The property address is gated and
24 fenced. At my direction and under my supervision, my office sent, via overnight
25 delivery, the notice and acknowledgment and full service packet to Mr. Smith at
26 the addresses of record and a true and correct copy of the delivery notification of
27 such package along with the affidavits of diligence are attached hereto and
28 incorporated herein as Exhibit C-35.

1 36. Stacy Smith, Roe 230 - I received the APN number for this parcel that is adjacent
2 to the river system from the City, and I performed a search of the mailing address
3 for the property from Tax Assessor records and a TLO search that show Mrs.
4 Smith at the service address as stated in Exhibit A. The 10220 Reeves Road
5 address is the site address, but according to the Tax Assessor, Mrs. Smith receives
6 the property tax bill at the P.O. Box in Ojai. Servers have been out to the site
7 address more than three times to no avail. The property address is gated and
8 fenced. At my direction and under my supervision, my office sent, via overnight
9 delivery, the notice and acknowledgment and full service packet to Mrs. Smith at
10 the addresses of record and a true and correct copy of the delivery notification of
11 such package along with the affidavits of diligence are attached hereto and
12 incorporated herein as Exhibit C-36.

13 37. Brandon Hansen, Roe 298 – I received the APN number for this parcel that is
14 adjacent to the river system from the City, and I performed a search of the mailing
15 address for the property from Tax Assessor records and a TLO search that show
16 Mr. Hansen at the service addresses as stated in Exhibit A. The 10934 Alto Court
17 address is the site address, but according to the Tax Assessor, Mr. Hansen receives
18 the property tax bill at the P.O. Box in Oak View. Servers have been out to the
19 site address three times to no avail. The property address is gated and fenced. At
20 my direction and under my supervision, my office sent, via overnight delivery, of
21 the notice and acknowledgment and full service packet to Mr. Hansen at the
22 addresses of record and a true and correct copy of the delivery notification of such
23 package along with the affidavits of diligence are attached hereto and incorporated
24 herein as Exhibit C-37.

25 38. Jamie Hansen, Roe 299 - I received the APN number for this parcel that is
26 adjacent to the river system from the City, and I performed a search of the mailing
27 address for the property from Tax Assessor records and a TLO search that show
28 Mrs. Hansen at the service addresses as stated in Exhibit A. The 10934 Alto Court

1 address is the site address, but according to the Tax Assessor, Mrs. Hansen
2 receives the property tax bill at the P.O. Box in Oak View. Servers have been out
3 to the site address three times to no avail. The property address is gated and
4 fenced. At my direction and under my supervision, my office sent, via overnight
5 delivery, the notice and acknowledgment and full service packet to Mrs. Hansen at
6 the addresses of record and a true and correct copy of the delivery notification of
7 such package along with the affidavits of diligence are attached hereto and
8 incorporated herein as Exhibit C-38.

9 39. Bethalyn Jonker, Roe 304 - I received the APN number for this parcel that is
10 adjacent to the river system from the City, and I performed a search of the mailing
11 address for the property from Tax Assessor records and a TLO search that show
12 Mrs. Jonker at the service addresses as stated in Exhibit A. The records shows that
13 Ms. Jonker resides at the site address on Hermitage Road in Ojai, but that the tax
14 bills go to the Ash Street address in Ventura. Servers have been out to both
15 properties multiple times to no avail. The property address is gated and fenced.
16 The Ash Street address is business; it appears to be a property management
17 company, and Ms. Jonker was not at that address. At my direction and under my
18 supervision, my office sent, via overnight delivery, the notice and
19 acknowledgment and full service packet to Ms. Jonker at the address of record and
20 a true and correct copy of the delivery notification of such package along with the
21 affidavits of diligence are attached hereto and incorporated herein as Exhibit C-39.

22 40. Willem Jonker, Roe 305 - I received the APN number for this parcel that is
23 adjacent to the river system from the City, and I performed a search of the mailing
24 address for the property from Tax Assessor records and a TLO search that show
25 Mr. Jonker at the service addresses as stated in Exhibit A. The records shows that
26 Ms. Jonker resides at the site address on Hermitage Road in Ojai, but that the tax
27 bills go to the Ash Street address in Ventura. Servers have been out to both
28 properties multiple times, to no avail. The property address is gated and fenced.

1 At my direction and under my supervision, my office sent, via overnight delivery,
2 of the notice and acknowledgment and full service packet to Mr. Jonker at the
3 address of record and a true and correct copy of the delivery notification of such
4 package along with the affidavits of diligence are attached hereto and incorporated
5 herein as Exhibit C-40.

6 18. A comprehensive description of efforts made for each unserved deceased with no
7 known successor Cross-Defendant by corresponding number to Exhibit A, is below:

8 41. Irma Tracy – I received the APN number for this parcel that is adjacent to the river
9 system from the City, and I performed a search of the mailing address for the
10 property from Tax Assessor records and TLO searches. I also performed a search
11 probate records and obituary searches over the course of eighteen months to
12 determine the location of Ms. Tracy. The Tax Assessor records identify Ms. Tracy
13 as the owner of the property, care of an individual named “Geraghty” (no first
14 name provided), and Ms. Tracy’s mailing address is the San Jose address in
15 Exhibit A. However, there is no record of Ms. Tracy on TLO, which is why I
16 believe she is deceased. On April 2, 2021, I contacted the Tax Collector to inquire
17 who was paying the taxes on the property. On April 18, 2021, the Tax Collector
18 sent me records indicating there has been no bill sent to the address of record for
19 this property. In my experience in researching properties if a tax bill is not sent to
20 a parcel it means that the parcel is generally undevelopable. I reviewed aerials of
21 the parcel, and it appears that it is oddly configured and not capable of being
22 developed. I sent servers out to the last known mailing address of record from Tax
23 Assessor records more than three times to no avail. Over the course of the last
24 eighteen months, I performed further research on both the last known residential
25 address receiving tax bills to ascertain prior owners of the property and performed
26 further research to try to locate Irma Tracy or a probate case for Ms. Tracy. That
27 research provided no further information. I performed further research on June 21,
28 2021 to determine whether any new information could be found for Ms. Tracy. I

1 was able to locate a tax default on the property that the County took in 1995. Out
2 of an abundance of caution, I will also Roe in Ms. Tracy's heirs and devisees, and
3 seek and order to publish a further summons as to Ms. Tracy's heirs and devisees.
4 At my direction and under my supervision, my office sent, via overnight delivery,
5 the notice and acknowledgment and full service packet to Ms. Tracy at the last
6 known address of record and a true and correct copy of the delivery notification of
7 such package along with the affidavits of diligence are attached hereto and
8 incorporated herein as Exhibit D-41.

9 42. Marvel Pierce - I received the APN number for this parcel that is adjacent to the
10 river system from the City, and I performed a search of the mailing address for the
11 property from Tax Assessor records and TLO searches, and probate and obituary
12 searches over the course of eighteen months to determine the location of Ms.
13 Pierce. The Tax Assessor records identify Ms. Pierce as the owner of the property,
14 and Ms. Pierce's mailing address is the Ojai address in Exhibit A. On April 2,
15 2021, I contacted the Tax Collector to inquire who was paying the taxes on the
16 property. On April 18, 2021, the Tax Collector sent me records that indicated
17 there has been no bill sent to the address of record for this property. In my
18 experience in researching properties if a tax bill is not sent to a parcel it means that
19 the parcel is generally undevelopable. I reviewed aerials of the parcel, and it
20 appears that it is oddly configured and not capable of being developed. I sent
21 servers out to the address of record once, and the server was informed that Marvel
22 Pierce is deceased. The service address from tax records was a residential care
23 facility where Ms. Pierce was prior to passing. I was not able to locate anything
24 regarding Ms. Pierce in probate or obituary searches. I performed further research
25 on June 21, 2021 to determine whether any new information could be found for
26 Ms. Pierce. The property has been in tax default since 1995 and a power to sell the
27 property has not been exercised. Out of an abundance of caution, I will also Roe
28 in Ms. Pierce's heirs and devisees and seek an order to publish a further summons

1 as to Ms. Pierce's heirs and devisees. At my direction and under my supervision,
2 my office sent, via overnight delivery, the notice and acknowledgment and full
3 service packet to Ms. Pierce at the last known address of record and a true and
4 correct copy of the delivery notification of such package along with the affidavits
5 of diligence are attached hereto and incorporated herein as Exhibit D-42.

6 43. Lloyd Smith - I received the APN number for this parcel that is adjacent to the
7 river system from the City, and I performed a search of the mailing address for the
8 property from Tax Assessor records and TLO searches, and probate and obituary
9 searches over the course of eighteen months to determine the location of Mr.
10 Smith. The Tax Assessor records indicate that Mr. Smith owns the property, and
11 his mailing address is a P.O. Box in Coarsegold, CA. There is no other known
12 mailing address, and TLO research yielded hundreds of individuals with the same
13 name. On April 2, 2021, I contacted the Tax Collector to inquire who was paying
14 the taxes on the property. On April 18, 2021, the Tax Collector sent me records
15 that indicated there has been no bill sent to the address of record for this property.
16 In my experience in researching properties if tax bill is not sent to a parcel it
17 means that the parcel is generally undevelopable. I reviewed aerials of the parcel,
18 and it appears that it is oddly configured and not capable of being developed.
19 While there is no address at the site, I sent a process server to the site, but that was
20 to no avail, as there is no address. I also performed Westlaw research on June 21,
21 2021 to determine whether any new information could be found for Mr. Smith as
22 to possible probate actions. That research resulted in three possible probate
23 actions under the estate of Lloyd Smith, all three of which were in Los Angeles
24 County. I did not see any other probate actions under that name in Southern
25 California. On June 21, 2021, I sent First Legal instructions to copy the probate
26 files for each of the three actions. I have received and reviewed two such files: for
27 the first file I reviewed the documents and determined that property in Ojai,
28 California was not in the inventory of the estate to be distributed; for the second

1 file, I reviewed the document provided and was unable to ascertain the inventory
2 of the estate to be distributed – the court only had one document appointing a
3 Leroy Greer as the personal representative of the estate of the Lloyd Smith Jr.
4 estate. The third action, is awaiting an appointment for First Legal to copy the
5 records on July 21, 2021. Los Angeles County Superior Court cannot make the file
6 available before that time. At my direction and under my supervision, my office
7 sent, via overnight delivery, the notice and acknowledgment and full service
8 packet to Mr. Smith at the last known address of record and a true and correct copy
9 of the returned undeliverable of such package along with the affidavits of diligence
10 are attached hereto and incorporated herein as Exhibit D-43.

11 44. William Lowes - I received the APN number for this parcel that is adjacent to the
12 river system from the City, and I performed a search of the mailing address for the
13 property from Tax Assessor records and TLO searches, and probate and obituary
14 searches over the course of eighteen months to determine the location of Mr.
15 Lowes. The Tax Assessor records indicate that Mr. Lowes owns the property, and
16 his mailing address is a P.O. Box in Alturas, CA. There is no other known mailing
17 address, and TLO research yielded that a gentleman named William Lowes with
18 the same P.O. Box in Alturas is deceased, passing on March 13, 2014. On April 2,
19 2021, I contacted the Tax Collector to inquire who was paying the taxes on the
20 property. On April 18, 2021, the Tax Collector sent me records that indicated
21 there has been no bill sent to the address of record for this property. In my
22 experience in researching properties if a tax bill is not sent to a parcel it means that
23 the parcel is generally undevelopable. I reviewed aerials of the parcel, and it
24 appears that it is oddly configured and not capable of being developed. I sent
25 servers to the P.O. Box address, as there is no site address, and on January 17,
26 2020, servers were told by a clerk at the post office in Alturas, California which is
27 the last known address of record according to the tax assessor that Mr. Lowes had
28 passed away a few years ago. I performed Westlaw research on June 21, 2021 to
