

CASE NAME: Santa Barbara Channelkeeper v. State Water Resources Control Board	CASE NUMBER: 19STCP01176
--	-----------------------------

7. The pleading has not yet been filed and served on the parties listed in item 6 for the following reasons *(describe the efforts that have been made to serve the pleading and why service has not been completed)*:

Many cross-defendants are not represented by counsel and have requested additional time to review the now publicly available proposed physical solution and judgment; determine whether they need to retain counsel and participate in the lawsuit; and/or file an answer or other pleading, such as a stipulation.

Continued on Attachment 7.

8. An extension of time to serve and file the pleading should be granted for the following reasons:

Settlement negotiations have continued to be productive during the extension periods. Good cause exists to further extend the time to respond to the Third Amended Cross-Complaint (1) to allow for continued meet and confer regarding the proposed physical solution and judgment; (2) for cross-defendants and those who received notice packets to evaluate the proposed physical solution and judgment and determine whether to participate in the lawsuit, to stipulate to the proposed physical solution and judgment, or be defaulted; and (3) to finalize the proposed physical solution and stipulated judgment based on continued meet and confer efforts.

Continued on Attachment 8.

9. If an extension of time is granted, filing and service on the parties listed in item 6 will be completed by *(date)*:
 January 29, 2021

10. Notice of this application under rules 3.1200–3.1207 has been provided as required *(describe all parties or counsel to whom notice was given; the date, time, and manner of giving notice; what the parties or counsel were told and their responses; and whether opposition is expected)* or is not required *(state reasons)*:

City provided a draft copy of this application via email to all known counsel of record and all parties who have appeared on October 13, 2020 and requested notice of any opposition. Many parties support this application. No party has stated opposition as of the filing of this application.

Continued on Attachment 10.
