Case No. 19STCP01176

Judge: Honorable William F. Highberger

DECLARATION OF MARNIE PROCK IN
SUPPORT OF APPLICATION BY CITY OF
SAN BUENAVENTURA FOR ORDER FOR
PUBLICATION OF SUMMONS ON ROE
CROSS-DEFENDANTS

[CCP §§ 415.50]

Filed concurrently with:

1. Notice of Hearing on Order T Show Cause;
2. Application for Publication of Summons;
- and
3. [Proposed] Order.

Action Filed: Sept. 19, 2014

Trial Date: Not Set

1 I, Marnie A. Prock, declare:

2
3 1. I am over the age of eighteen years and a senior paralegal employed by the law
4 firm of Best Best & Krieger LLP ("BBK"), attorneys of record for Respondent and Cross-
5 Complainant, City of San Buenaventura ("CITY") in the above-entitled action ("Action").

6 2. I have been a paralegal in California for more than 21 years and have held various
7 positions in two of California's largest and most historic public law firms for more than 31 years.
8 I have been employed by BBK since September, 2010.

9 3. My day to day activities include all facets of litigation, including research related
10 to real property ownership, analyzing deeds and title reports, locating individuals and corporate
11 entities for service of process, researching probate records for heirs and devisees, analyzing
12 policy and procedures relating to court filings and processes, and seeking orders for publication
13 and posting of summons when necessary for quiet title, title defect, eminent domain and
14 prescriptive rights cases.

15 4. Each of the facts stated herein is within my personal knowledge, and I would so
16 testify if called as a witness at any hearing.

17 5. In an effort to locate potential parties with interests at issue in this Action, I
18 conducted extensive research into the real property record databases of the following reputable
19 and well known title companies: Fidelity National Title Insurance Company, First American Title
20 Insurance Company, and Chicago Title Insurance Company. In searching these databases, I
21 identified any additional interested persons or entities, of which the CITY had a duty to serve the
22 Summons and Third Amended Cross-Complaint.

23 6. On or about March 17, 2021, I sent service packets to First Legal to start the
24 service of process on Roe Cross-Defendants.

25 7. During the service of process efforts, First Legal provided me with spreadsheets on
26 a weekly basis as to all requested service attempts and status of same. During the weeks of April
27 19 and April 26, I noted which properties were unserved due to gates and fences in an ongoing
28 effort to further research these Cross-Defendants to effect service. On April 30, 2021, I provided

1 First Legal with a list of 79 Roe Cross Defendants behind fence and gate and requested that at
2 least three attempts be made on the Roe Cross-Defendants. Since April 30th, one Roe Cross-
3 Defendant was personally served and another Roe Cross-Defendant was taken off the list of
4 gated/fenced because a new address was discovered for that Roe Cross-Defendant and additional
5 service attempts are currently being made. I requested Due Diligence Reports be delivered as
6 soon as possible for the remaining 77 Roe Cross-Defendants behind gate and fence.

7 8. During the week of May 25, 2020, an additional 15 Roe Cross-Defendants were
8 discovered to be behind gate/fence during additional service attempts. I contacted First Legal to
9 ensure we had at least three attempts at personal service on each of the new 15 Roe Cross-
10 Defendants behind gate/fence. I then promptly overnighted the additional 15 notices and
11 acknowledgment of receipts and service packages to the 15 Roe Cross-Defendants on June 2,
12 2020.

13 9. With the additional 15 new gated/fenced Roe Cross-Defendants, the total number
14 of gated/fenced Roe Cross-Defendants is now 92. Attached hereto and incorporated herewith as
15 Exhibit B are true and correct copies of the Due Diligence Reports from First Legal.

16 10. Eight signed notices of acknowledgment have been received bringing the total
17 number for publication to 84.

18 11. I also conducted "TLOxp¹" searches in an attempt to locate additional addresses
19 for personal service or mail service for each Roe Cross-Defendant including those listed in
20 Exhibit "A" which are the group of property owners behind fenced and gated private residences.
21 Additional research was also performed to determine via aerial pictures for each address if
22 another entrance to the property would assist in the service of process efforts. No such additional
23 entrances to the properties were detected.

24
25
26 ¹ TLO is a database powered by TransUnion which identifies, among other items, the last several physical addresses
27 and the date in which subjects are using those addresses, telephone numbers and email addresses associated with the
28 subject. From these searches, I can glean information necessary to serve process on Cross-Defendants if within the
United States. I also performed address searches and deceased database searches to try to ascertain whether the
subject is evading or may be deceased.

1 12. The *Ventura County Star* is a newspaper of general circulation published and
2 distributed in Ventura County, where the Property is located, and which is most likely to give
3 actual notice of the pendency of the proceedings herein to the unserved Roe Cross-Defendants.

4
5 I declare under penalty of perjury under the laws of the State of California that the
6 foregoing is true and correct, and that this declaration was executed on June 1, 2021, at Stockton,
7 California.
