STATUS CONFERENCE REPORT

Date: April 19, 2021

Time: 1:30 p.m.

Dept: SS10

Action Filed: Sept. 19, 2014

Trial Date: Not Set

1 STATUS CONFERENCE REPORT

2  
3 Defendant and Cross-Complainant City of San Buenaventura (City) submits this Status  
4 Conference Report (Report) in advance of the Status Conference scheduled for April 19, 2021 at  
5 1:30 p.m. In accordance with the Court’s order at the March 15, 2021 Status Conference, the City  
6 has made a good faith effort to solicit input from interested parties prior to submission of this  
7 Report. Specifically, counsel for the City sent a draft of this Report via email to all counsel of  
8 record and to all parties for which the City has an email address on April 6, 2021 and again on  
9 April 9, 2021 and invited input. The City has incorporated feedback from the State Water  
10 Resources Control Board, the California Department of Fish and Wildlife, and the California  
11 Department of Parks and Recreation (collectively the “State Agencies”), Santa Barbara  
12 Channelkeeper (Channelkeeper), the City of Ojai, the Manfred Krankl and Elaine V. Krankl  
13 Living Trust, and Kelton Lee Gibson, Trustee of the Gibson Family Trust, dated June 6, 2006.  
14 Cross-Defendants Meiners Oaks Water District and Ventura River Water District join in sections  
15 1, 2, and 3 of this Report. The City understands that some parties may submit their own Status  
16 Conference Reports.

17  
18 1. PHYSICAL SOLUTION BRIEF AND RESPONSES

19 On March 8, 2021, the City, together with Cross-Defendants the Ventura River Water  
20 District, Meiners Oaks Water District, the Wood-Claeysens Foundation, and the Rancho Matilija  
21 Mutual Water Company (collectively the “Proposing Parties”) filed and served the final version  
22 of their brief regarding the law of physical solutions, as well as the request for judicial notice of  
23 certain physical solution judgments entered in five California state court water adjudication  
24 matters.<sup>1</sup> Cross-Defendants the Casitas Municipal Water District, the City of Ojai, Loa E. Bliss

1 and David Gilbert, Trustees of the Loa E. Bliss 2006 Revocable Trust, Claude and Patricia  
2 Baggerly, Andrew Whitman, and the State Agencies also submitted briefs related to the law  
3 summarized in the Proposing Parties’ brief. Due to time constraints, the Court was not able to  
4 discuss these issues with the parties at the March 15, 2021 Status Conference.

5 The Proposing Parties will be prepared to discuss the physical solution briefs at the April  
6 19, 2021 Status Conference. At this time, there is no motion pending, and the Proposing Parties  
7 are not seeking any tentative or final rulings on substantive issues. However, the Proposing  
8 Parties believe that the briefs set forth the basics regarding the physical solution doctrine, and  
9 they will be ready to address any questions the Court has regarding that law.

10 As noted in the Proposing Parties’ brief, the Fifth District of the California Court of  
11 Appeal has considered several appeals related to the Antelope Valley Groundwater Cases. The  
12 Proposing Parties’ cited to the first of those decisions in their brief and notified the Court that  
13 other decisions were anticipated. (Proposing Parties’ Brief, p. 30 and fn. 18.) On March 16,  
14 2021, the Court of Appeal issued two additional decisions, both of which uphold the trial court’s  
15 judgment and physical solution in the Antelope Valley Groundwater Cases. One of the two cases,  
16 *Antelope Valley Groundwater Cases* (Cal. Ct. App., Mar. 16, 2021, No. F082469) 2021 WL  
17 1301050, reh’g denied (Apr. 6, 2021), was recently ordered published.<sup>2</sup> The second case, *Los*  
18 *Angeles County Waterworks District No. 40 v. Charles Tapia* (Cal. Ct. App., Mar. 16, 2021, No.  
19 F082492) 2021 WL 978676, is currently unpublished, but a publication request is pending, and  
20 the City will update the Court if the status changes.

21 The responses to the Proposing Parties’ brief do not, in the view of the Proposing Parties,  
22 raise any material objections to the basic summary of the law contained in the brief. Rather, the  
23 parties make specific contentions about how that law applies or does not apply to the City’s Third  
24 Amended Cross-Complaint. The application of the physical solution doctrine to the details of this  
25 case was intentionally and expressly not the subject of the brief. The brief was designed to  
26 provide the Court with a general overview of the law. The case-specific contentions raised in the  
27 responses will need to be addressed by the Court in connection with future motions or during  
28

1 future phased trials. In its initial draft of this Report, the City proposed language to clarify some  
2 of the issues raised in the responses to the Proposing Parties' brief. However, after meeting and  
3 conferring with the State Agencies, the City has removed this clarifying language because the  
4 City agrees that these case-specific contentions should be reserved for noticed motion practice,  
5 evidentiary hearings, and/or phases of trial, not a status conference report. The Proposing Parties  
6 respectfully request the opportunity to discuss the substantive issues in their physical solution  
7 brief, including replying to the response briefs, at the Status Conference.

8  
9 2. THE CITY'S MOTION TO BIFURCATE AND LIFT THE DISCOVERY STAY

10 At the April 19, 2021 Status Conference, the City will ask the Court to set a hearing date  
11 for May or June, depending on the Court's availability, for a motion to bifurcate and lift the  
12 discovery stay. Recognizing the objections to and the Court's concerns regarding setting a  
13 hearing on the proposed physical solution, the City will propose two initial trial phases. The first  
14 phase would address basin and watershed boundaries and the interconnection between the basins  
15 and the surface water. The second phase would be an evidentiary hearing on the proposed  
16 physical solution.

17 The exact parameters of the City's motion will be set forth in its moving papers and  
18 related briefs. At this time, however, the City envisions asking the Court to bifurcate the City's  
19 Sixth Claim for Relief for Comprehensive Adjudication and Physical Solution, to set a date in  
20 November of 2021 for a first phase of trial on watershed boundaries and interconnection, to lift  
21 the discovery stay, and to establish a discovery schedule for this first phase. This approach would  
22 address multiple concerns expressed by the parties about interconnection, basin boundaries, and  
23 the extent and nature of the Watershed. As certain parties have explained, the phasing of legal  
24 issues is common in adjudications and consistent with both the Court's inherent powers and with  
25 Code of Civil Procedure sections 840(b)(5) and 840(b)(6). This approach would also directly  
26 address the legal issues raises by the City of Ojai. Finally, it would be a vehicle to address the  
27 concerns raised by counsel for the Whitman parties regarding the boundaries of the Upper Ojai  
28 Basin and the boundaries of the Ventura River Watershed, which do not align completely. After

1 resolution of the extent and interconnectivity of the Watershed, a second phase of trial regarding  
2 the proposed physical solution could be set in early 2022. The State Agencies agree that  
3 approaching this case in phases is appropriate, do not object to a first phase on basin boundaries  
4 and interconnectedness, and will provide their perspective on timing in response to the City's  
5 specific relief sought in its motion. Counsel for Cross-Defendants the Manfred Krankl and Elaine  
6 V. Krankl Living Trust and Kelton Lee Gibson, Trustee of the Gibson Family Trust, dated June 6,  
7 2006 requested that we advise the Court that they do not agree with this proposed process nor the  
8 physical solution proposed.

9 The City will be prepared to discuss this motion at the Status Conference and will meet  
10 and confer with the parties regarding the motion and the City's proposed schedule.

11  
12 3. SITE VISIT VIA VIDEO TOUR

13 On March 23, and on April 6, 2021, the City held Zoom meet and confer sessions, which  
14 were open to all parties, regarding a proposed site visit. Due to concerns regarding the existing  
15 public health orders and concerns about how to structure a site visit consistent with due process  
16 and avoidance of ex parte communication, the parties are pursuing the idea of using a drone or  
17 other video surveillance device to create or compile a comprehensive video tour of the  
18 Watershed. The tentative proposal is to create the video and submit it to the Court for review at a  
19 future Status Conference or specially set hearing. The Court would then be able to ask questions  
20 of the parties about locations on the video, and all parties would have an opportunity to address  
21 the Court's questions. The video would become part of the record of the proceeding and could be  
22 used by the parties in future evidentiary hearings as appropriate and subject to proof. The parties  
23 who attended the meet and confer sessions appear to have reached a consensus on these basic  
24 parameters. Subject to discussion with the Court at the April 19 Status Conference, the parties  
25 will work in concert to prepare and submit the video.

1           4.       UPDATE RE SERVICE OF THE THIRD AMENDED CROSS-COMPLAINT  
2                               AND NOTICE OF COMMENCEMENT OF ADJUDICATION

3           The City diligently continues to work to complete service of the Third Amended Cross-  
4 Complaint (Cross-Complaint) on all named Cross-Defendants and has completed providing the  
5 notice of adjudication and form answer to all overlying landowners within the Ventura River  
6 Watershed’s groundwater basins. The City continues to make substantial progress on these  
7 efforts.

8                               A.       Notice

9           On February 21, 2021, the City, through its notice vendor JND Legal Administration  
10 (JND), completed the mailing and posting required by Code of Civil Procedure section 836(d).  
11 The City will file a notice of completion as required by Code of Civil Procedure section 836(e) in  
12 advance of the April 19, 2020 Status Conference. As explained in the notice, the City has  
13 completed each of the required steps set forth in Code of Civil Procedure section 836(d). By  
14 filing the notice, the City has completed the last remaining step required by Code of Civil  
15 Procedure section 836(e). Nothing in Section 836 requires additional action by the City, the  
16 Court, or the parties.

17           The City wishes to inform that Court that it has received questions from several property  
18 owners who received the notice of adjudication packet, and for whom the City has received a  
19 return receipt from the United States Postal Service (USPS), but who did not physically sign the  
20 return receipt. This situation did not arise for the notices that were sent prior to the onset of the  
21 pandemic but did arise in certain cases for the notices that were sent during the pandemic. This  
22 situation is a direct result of changes in the policies of USPS related to the processing of return  
23 receipts during the pandemic. Under these modified policies, postal workers were authorized to  
24 sign return receipts upon verified delivery of the mailing to avoid direct contact with the  
25 recipient. As explained in the City’s notice of completion, the City has fully complied with the  
26 required provisions of Section 836(d). However, the City believes that this explanation of  
27 USPS’s pandemic policy is important to emphasize in light of the approximately twenty inquiries  
28 the City has received regarding the return receipts.

1                   B.     Service of Original Cross-Defendants Named in the Third Amended Cross-  
2                                    Complaint

3                   As of the last Status Conference, there were 137 unserved Cross-Defendants out of the  
4 over 2,500 Cross-Defendants named in the Third Amended Cross-Complaint. Since then, the  
5 City has successfully served 35 Cross-Defendants in March and early April and is continuing  
6 efforts to serve the remaining 102. Summary tables are provided below. The City will continue  
7 to attempt to locate and serve these un-served Cross-Defendants, including by conducting  
8 targeted outreach and phone calls to and additional researching and tracking of un-served Cross-  
9 Defendants.

10

20

21

22 After the last Status Conference and receipt of the Judge’s tentative ruling on March 15,  
23 2021, the City contacted the Ventura County Sheriff’s office to inquire whether the Sheriff would  
24 be more successful than a private process server company at personally serving a private  
25 residence located behind fences and gates. During this conversation, the City also inquired  
26 whether the Sheriff had any further powers to serve such individuals personally. The Sheriff’s  
27 office explained that they have the same powers and duties under the California Code of Civil  
28 Procedure as a private process server. They did not have any further suggestions as to how the

1 City could lawfully serve a private residence behind fences and gates.

2 In advance of the April 19 Status Conference, and consistent with the discussion with the  
3 Court at the March Status Conference, the City will submit an application for an order to serve  
4 via publication those 53 Cross-Defendants that are behind fences and gates.

5  
6 C. Roes

7 On March 3, 2021, the City filed and served two amendments to its Third Amended  
8 Cross-Complaint adding newly discovered Roe property owners in the Watershed. On April 8,  
9 2021, City filed and served Amendments No. 4 and No. 5 to add Roes 381-417. Amendment No.  
10 4 adds additional riparian properties for which required further research is required in order to  
11 determine both property ownership and corporate status along with further research to locate  
12 physical addresses of individuals who were not receiving the tax bills for the property.  
13 Amendment No. 5 adds two individuals that recently purchased a property in the Watershed, the  
14 prior owners of which informed the City after they were served with process. A summary of  
15 service status is set forth in the table below.

16

17 Total Roe Cross-Defendants – Amendment Nos. 2-3 (Roes 2-380)	379
18 Served Roe Cross-Defendants	170
19 Unserved Roe Cross-Defendants	209
20 New Roes Amendment Nos. 4-5 (Roes 381-417) (service to 21 commence in April)	36

22

23 It should be noted that in a large watershed adjudication such as this one, it is typical that  
24 additional parties and parcels are identified for either inclusion or exclusion due to e.g., deaths of  
25 owners, probate transfers, divorce, other changes in ownership, and modification of assessor  
26 parcel numbers. This process is ongoing and will continue even after any judgment is entered.  
27 The City is taking steps now to include all known required parties, but the City wishes to make  
28 the Court aware that additional information will continue to be obtained that will likely require

1 additional changes even after any judgment is entered.

2  
3 D. Extension of Time to File Proofs of Service

4 On April 1, 2021, the City filed two Ex Parte Applications for Extension of Time to File  
5 Proofs of Service, one for the remaining named Cross-Defendants, and another for the Roe Cross-  
6 Defendants 2-380. The City respectfully requests that the Court grant the two applications so that  
7 the City will have until July 1, 2021 to file the remaining proofs of service for all un-served  
8 Cross-Defendants.

9  
10 E. Defaults

11 The City is in process of drafting 1,381 requests for entry of default packages in groups of  
12 approximately twenty defaults per package. On March 8, 2021, the City submitted five groups of  
13 twenty, and one group of 19, totaling 119 defaults. On March 19, 2021, the City received a  
14 Notice of Rejection for one request for entry of default as to Cross-Defendant Bernadette King,  
15 due to a clerical error of a misspelled name on the proof of service. On April 9, 2021, the City re-  
16 filed this single Request for Entry of Default. On April 12, 2021, the City submitted another 120  
17 Requests for Entry of Default. Currently, the City has filed 237 requests for entry of default.

18

Total Defaults	1,381
Filed Defaults	237
Remaining Defaults	1,144

19  
20  
21  
22 F. Dismissals

23 On March 1, 2021, the City filed two sets of dismissals totaling 166 named Cross-  
24 Defendants. One set of dismissals of twenty-nine parties is for deceased and/or misnamed Cross-  
25 Defendants. The second set of 134 dismissals is for Cross-Defendants who sold their riparian  
26 parcel(s) and no longer own any real property interest in the Watershed. The City discovered  
27 during the personal service process that three additional properties were recently sold and it has  
28

1 filed one dismissal as to six individual Cross-Defendants. In addition, the City has filed another  
2 set of dismissals for approximately five deceased owners and two who are being dismissed due to  
3 no longer owning a portion of real property that the City discovered during the personal service  
4 process. These individuals are still listed as record owners on the property ownership records.

5 The City has also contacted the Tax Collector's office for the County of Ventura and is in  
6 the process of requesting further payment information for approximately seventeen properties in  
7 which the taxes have been paid, property ownership has not been updated, and Tax Assessor  
8 records provided to the City show either a PO Box, or a physical address that has been  
9 unsuccessfully served. The Tax Collector has agreed to assist the City with further information as  
10 soon as practicable given that it is the Tax Collector's heavy collection season. The City may  
11 need to amend the names of Cross-Defendants for these seventeen properties to include new  
12 information as the successors to the properties are identified. A summary of the requests for  
13 dismissal is set forth the table below.

Total Dismissals	177
Filed Dismissals	163
Remaining Dismissals	13

19 G. Coordination with Court Staff

20 Counsel for the City and its staff members have been and will continue to work closely  
21 with Court staff to ensure items are being filed and party information is being managed in  
22 accordance with the Court's requirements and specifications. Court staff has been very  
23 accommodating and helpful, and the City will continue to work closely and coordinate with Court  
24 staff to facilitate its recordkeeping and case management needs. The City will make every effort  
25 to reduce the burden of this large and complicated matter on the Court and its staff.

26 The City has discussed with the Court the idea of hiring an outside vendor to maintain a  
27 separate register of actions and document database for ease of searching and finding relevant filed  
28 documents by Cross-Defendant name, document type, filing party, and date submitted/accepted

1 by the Court for filing. This procedure has been implemented in other water adjudications. As of  
2 the filing of this report, the Court staff and City staff have been unable to discuss this proposal in  
3 detail.

4  
5 H. Stipulations For Entry of Physical Solution and Judgment

6 Counsel for the City has continued to work closely with the Ryan Blatz Law Firm and  
7 other interested parties who wish to stipulate to the physical solution in lieu of filing an answer.  
8 The City is working with Mr. Blatz to submit amended and correctly-worded stipulations for the  
9 Court's consideration and approval. Approximately 8 new parties have also requested to stipulate  
10 to the proposed physical solution, and the City continues its ongoing efforts to identify individual  
11 members of erroneously named Cross-Defendant the Gridley Road Water Group who wish to  
12 sign stipulations. A chart showing the stipulating parties and status (e.g., filed and approved, to  
13 be amended, rejected and to be revised, and new and pending requests) of all stipulations is  
14 attached hereto as Exhibit A.

15  
16 I. Case Website

17 The City continues to maintain and update the neutral adjudication website, available at:  
18 <https://www.venturariverwatershedadjudication.com>.

19  
20 5. NEWLY APPEARING PARTIES

21 A. Answers

22 As of April 12, 2021, the following additional parties have filed answers to the City's  
23 Third Amended Cross-Complaint:

- 24 1. William Thacher, filed 1/28/21
- 25 2. Laura R. Shreiner, a.k.a. Laura Rearwin, filed 1/29/21
- 26 3. Amy Hueppe, filed 1/29/21

- 6                   11.    Timothy Mahoney, filed 2/3/21

- 10                  14.    Thomas M. Collins, Jr., filed 3/8/21
- 11                  15.    Ojai Valley Inn, filed 3/11/21

12                   On March 11, and March 26, 2021, the City provided notice to the twenty newly  
13                   appearing parties identified in its Status Conference Report, filed March 8, 2021, and to parties  
14                   one through twelve above, that because their answers were filed before March 1, 2021, their  
15                   initial disclosures are due by June 1, 2021, pursuant to the Court’s order on February 9, 2021.  
16                   The City only recently became aware of these answers because none of these parties served the  
17                   City with them. The City obtained these answers from the Court’s document retrieval portal on  
18                   March 9, and 12, 2021.

19

20                   6.     CHANNELKEEPER NOTICE OF DISMISSAL

21                   In September of 2019, the City and Channelkeeper entered into a settlement agreement  
22                   regarding Channelkeeper’s Complaint for Declaratory Relief and Petition for Writ of Mandate.  
23                   The City is a named defendant in the First Cause of Action in that Complaint. In the settlement  
24                   agreement, the City agreed to implement a Pilot Project of flow restrictions at Foster Park and  
25                   agreed to take other actions. Channelkeeper released and waived its claims against the City other  
26                   than two reserved issues. First, Channelkeeper reserved its “claim after the Pilot Project is  
27                   completed but before entry of a stipulated judgment in the adjudication that future pumping and  
28                   diversion of water in Reach 4 of the Ventura River is an unreasonable use in violation of the

1 California Constitution Article X, Section 2, and the public trust doctrine.” Channelkeeper also  
2 reserved its claims for unresolved attorney’s fees and costs in the amount of \$191,075.29.

3 As the Court is aware, at the June 24, 2020 Status Conference, after the time for the Pilot  
4 Project had ended, Channelkeeper informed the Court of its plan to bring a motion for interim  
5 flow measures at Foster Park. The City and Channelkeeper met and conferred over this issue, and  
6 in August 2020, the City and Channelkeeper amended the settlement agreement to address the  
7 issue. As part of that amended agreement, Channelkeeper agreed “not to seek other interim relief  
8 regarding flow.” The amended agreement provided that the “settlement relating to interim flows  
9 in no way impacts Channelkeeper’s ability to comment on, support, or challenge the physical  
10 solution proposed by any party in the Action.” The amended agreement therefore leaves only two  
11 issues remaining as between the City and Channelkeeper—an unresolved claim for attorney’s  
12 fees and costs and Channelkeeper’s participation in the issues related to the physical solution. All  
13 other issues are resolved.

14 On March 16, 2021, Channelkeeper submitted its Request for Dismissal pursuant to the  
15 settlement to the Court for filing via the Court’s drop box.

16  
17 7. CONCLUSION AND SUMMARY OF REQUESTS

18 Based on the above Report, the City respectfully requests that the Court consider taking  
19 the following actions at the April Status Conference:

- 20 • Discuss and address any general questions raised by the physical solution briefs  
21 and responses, reserving any specific decisions on substantive legal issues for  
22 motion practice or trial as appropriate.
- 23 • Set a hearing date in late May or early June for the City’s motion to bifurcate and  
24 lift the discovery stay.
- 25 • Grant the City’s two ex parte applications to extend the date for filing proofs of  
26 service.
- 27 • Grant the City’s application to serve certain Cross-Defendants located behind  
28 locked gates by publication.
